- Search for the OTCHS website and sign in.
- Select the benefit you would like to shop for.
- Search and add items to your basket. Once you are ready to place your order, select “Checkout”.
- Confirm the shipping information and select “Place Order”. Please contact your Health Plan for any permanent address change needed.
- You will be directed to the Order Summary. This page will show your order details and the delivery timeframe.

You will receive emails with the latest status updates as your order is processing.

- Please enter the number of the item code. For example, if you want to order item “B33” you will enter “33” and wait for the system to repeat the item and ask if the selection is correct. Please let the system finish the prompt before you make your selection.
- Once the order is complete, you will have the choice to review and edit the items in the cart, submit the order, or speak to an agent. **Should you choose to speak to an agent, your items will not be saved, and you will have to restart your order.**

If you haven't received your order, received a defective or damaged item, please call OTC Health Solutions within 30 days of placing your order. If your item is not in stock, an item of similar or greater value may be substituted in your order.

Product promise

We require all of our products to be safe and effective. That's why we put them to the test with an average of 350 quality tests a day.

Factory pledge

We hold our factories to a high standard. We work with them to make sure they follow good manufacturing practices. And we make sure that they follow ethical sourcing practices.

Beyond the basics

Our standards are anything but standard. That's why our vitamins are Tested to be Trusted[®].^{*} And why we restrict chemicals of concern from our beauty products.

Customer focus

Your feedback helps us make our products better. That's why we closely monitor ratings and reviews. And we take notes on in-store shoppers' experiences so we can answer their needs.

For Tested to be Trusted[®]: Product samples are tested by an independent third party. Tests are performed on a single lot. Exclusions apply. For details, please visit [CVS.com/Trusted](https://www.cvs.com/Trusted).
